With the platform, it is possible to carry out research on international acts to which Brazil is a party, as well as verify their texts, in all the languages in which they were originally signed.

The acts are organized in a tabular form, with the following attributes of each document being informed: title of the agreement, other party, subject, date of execution, status of the processing and the type of agreement.

It currently has 12088 registered acts, dating from 1822.

The screenshot shows a search filter interface with the following sections:

- Tipo de Acordo**: Three checkboxes for *Bilateral* (checked), *Trilateral*, and *Multilateral*.
- Publicação** (with a help icon): Two checkboxes for *Direta* and *Indireta* on the left, and *Atos que possuem Emendas* and *Atos que são Emendas de outros atos* on the right.
- Data**: A dropdown for *Tipo de Data*, and input fields for *Data Inicial* and *Data Final*, with a plus icon to the right.
- Documento**: A dropdown for *Tipo de Documento*, and input fields for *Número*, *Data Inicial*, and *Data Final*, with a plus icon to the right.
